

SEVENTEEN BLACK

WINE BAR AND CLUB

Firstly, thank you for considering us as your venue!

Seventeen Black offers three very different vibes across three floors. An award-winning seafood restaurant, a cocktail /wine bar and a 'for hire' night club.

We have several options available.

- Private Hire the night club level (max capacity 75). £450 for 4 hours which includes security and a DJ . You will have access to our wine/cocktail bar which will be open to the public.
- Private Hire the Wine / Cocktail bar level (Max Capacity 100). Friday – From £2000 / Saturday - £2500 / Sunday - £650 upfront minimum spend deposit. This includes private hire of venue and security.
- The Wine / Cocktail bar is also available during the weekends Between 8am - 5pm – Friday £500 / Saturday £1000 / Sunday £500 for a minimum spend deposit.
- **FREE** venue hire is available Monday to Thursday, where you can privately use the Wine/ Cocktail bar for no minimum spend.

What is a minimum spend deposit? To reserve exclusive use and close the venue to the public, we require reaching a minimum spend to make it viable. If the bar sales do not meet the minimum spend requirement, the remaining amount will be deducted from the deposit before being refunded.

You can use the deposit for food, drinks upon arrival, and a pre-paid bar tab, which includes prosecco, a popular drink upon arrival, priced at £30/£35 per bottle.

Please see below an example of our canape menu which is £9.95 per person:

Twice cooked Chips

Tempura Battered Prawn and Salt and Pepper Squid Combo. Served with Sweet chilli sauce and Garlic Aioli.

Mac and Cheese Bites (V)

Mini Roast Beef and Horseradish Yorkshires

Spicy Chicken Skewers

Vegetable Pakora (Ve)

Finally, we have access to various musicians, magicians, photographers, cake makers and Dj's to suit every need. We also have TV screens dotted around the venue, ideal for embarrassing photos!
